

Big Time Picture Company Digital Equipment Rentals

Avid

Avid

Avid ABVB systems

We provide Film Composer and Media Composer versions 7.2v4 supporting AVRs up to 9S and AVR77 on accelerated and modernized PowerMac 9600 systems.

Avid Meridien systems

Media Composer versions between 11.2 and 12 supporting uncompressed media as well as all common compressions.

Shared media systems

ABVB and Meridien systems can be configured with shared storage using either Avid Unity or Transoft / FibreNet hardware and software.

Final Cut

Final Cut Pro HD

The latest Final Cut Pro HD software running on fast G4 and G5 systems supporting both SD and HD resolutions.

Final Cut Express HD

The latest Final Cut Express HD for non-film projects.

Suites

Suites come with a Mackie 1604 VLZ 16-channel or an Alesys 12-channel audio mixer, single or dual 21" computer monitors, VHS, DVD & CD deck, large Sony viewing monitor, UPS battery backup, custom editing table, large ergonomic chair, network-based archiving onto CD or DVD, network printing, and secure file sharing with other facilities.

Storage and decks

SCSI

Avid MediaDock 2, Andataco, Transoft, Unity, and custom SCSI and RAID systems are available for any amount of media.

Decks

Sony DigiBeta UVW-A500, UVW-1800 Beta, DSR-40 DVCam, and VO-3950 ¾" video decks are available, as are Sony PCM-800, DA-60, and PVM-2800 DAT decks. Video DVD recorders, time base correctors, other decks, and other accessories are available on request.

We provide 24 hour a day, 7 day a week support.
